## PREFACE

THIS, the third volume of the first edition of the Orissa Code contains Bihar and Orissa Acts passed between the 1st April 1912 and 1st March 1936 which are still in force in the Province of Orissa and any part of the Province.

Though the Bihar and Orissa Local Self-Government Act, 1885 (Act III of 1885) is now in force in the ex-B. & O. area, this Act has not been printed in this volume as a consolidated Bill on the subject, namely, the Orissa Local Government Bill, 1949 has already been introduced in the Legislative Assembly and it is hoped that the Bill would be passed into an Act before Vol. VII (Orissa Acts) is sent to the Press for printing.

The Acts included in this volume are printed generally as amended up to the 31st October 1949. The system as described in the Preface to Volume I of this Code has been followed in compiling this volume.

*Rules and presumptions as to amount of rent*

Rules and presumptions as to amount of rent.

58. (1) Where a tenure-holder or raiyat in a permanently-settled area, and his predecessors in interest, have held at a rent or rate of rent which has not been changed from the time of the Permanent Settlement, the rent or rate of rent shall not be liable to be increased except on the ground of an alteration in the area of the tenure or holding.

(2) If it is proved in any suit or other proceeding under this Act or under any other law that either a tenure-holder or raiyat and his predecessors in interest have held land situated in a permanently-settled area at a rent or rate of rent which has not been changed

(Secs. 59-60)

during the twenty years immediatly before the institution of the suit or proceeding, it shall be presumed, until the contrary is shown, that they have held at that rent or rate of rent from the time of the Permanent Settlement :

Provided that, if it is required by or under any enactment that in any local area tenancies, or any classes of tenancies, at fixed rents or rates of rent shall be registered as such on or before a date specified by or under the enactment, the foregoing presumption shall not after that date apply to any tenancy or, as the case may be, to any tenancy of that class, in that local area unless the tenancy has been so registered.

(3) The operation of this section, so far as it relates to land held by a raiyat, shall not be affected by the fact of the land having been separated from other land which formed with it a single holding, or amalgamated with other land into one holding.

(4) Nothing in this section shall apply to a tenure held for a term of years or determinable at the will of the landlord.

59. If a question arises as to the amount of a tenant's rent or the conditions under which he holds in any agricultural year, he shall be presumed, until the contrary is shown, to hold at the same rent and under the same conditions as in the last preceding agricultural year.

Presumption as to amount of rent and conditions of holding.

*Alteration of rent on alteration of area*

60. (1) Every tenant shall—

(a) be liable to pay additional rent for all land proved by measurement to be in excess of the area for which rent has been previously paid by him, unless it is proved that the excess is due to the addition to the tenure or holding of land which, having previously belonged to the tenure or holding, was lost by diluvion or otherwise without any reduction of the rent being made ; and

Alteration of rent in respect of alteration in area.

(b) be entitled to a reduction of rent in respect of any deficiency proved by measurement to exist in the area of his tenure or holding as compared with the area for which rent has been previously paid by him, unless it is proved that the deficiency is due to the loss of land which was added to the area of the tenure or holding by alluvion or otherwise, and that an addition has not been made to the rent in respect of the addition to the area.

(2) In determining the area for which rent has been previously paid, the Court shall, if so required by any party to the suit, have regard to—

## (Sec. 61)

- (a) the origin and conditions of the tenancy, for instance, whether the rent was a consolidated rent for the entire tenure or holding ;
- (b) whether the tenant has been allowed to hold additional land in consideration of an addition to his total rent or otherwise with the knowledge and consent of the landlord ;
- (c) the length of time during which the tenancy has lasted without dispute as to rent or area ; and
- (d) the length of the measure used or in local use at the time of the origin of the tenancy as compared with that used or in local use at the time of the institution of the suit.

(3) In determining the amount to be added to the rent, the Court shall have regard to the rates payable by tenants of the same class for lands of a similar description and with similar advantages in the vicinity, and, in the case of a tenure-holder, to the profits to which he is entitled in respect of the rent of his tenure ; and shall not in any case fix any rent which, in the circumstances of the case, is unfair or inequitable.

(4) The amount abated from the rent shall bear the same proportion to the rent previously payable as the diminution of the total yearly value of the tenure or holding bears to the previous total yearly value thereof ; or, in default of satisfactory proof of the yearly value of the land lost, shall bear to the rent previously payable the same proportion as the diminution of area bears to the previous area of the tenure or holding.

(5) When, in a suit under this section, the landlord or tenant is unable to indicate any particular land as held in excess, the rent to be added on account of the excess area may be calculated at the average rate of rent paid on all the lands of the holding, exclusive of such excess area.

(6) When, in a suit under this section, the landlord or tenant proves that, at the time the measurement on which the claim is based was made, there existed, in respect of the estate or permanent tenure or part thereof in which the tenure or holding is situate, a practice of settlement being made after measurement of the land assessed with rent, it may be presumed that the area of the tenure or holding specified in any lease or counterpart engagement, or (where there is an entry of area in a counterfoil receipt corresponding to the entry in the rent-roll) in any rent-roll relating to it, has been entered in such lease, counterpart engagement or rent-roll after measurement.

61. (1) No waste land may be reclaimed by a raiyat without the written consent of his landlord except where the land was, before such reclamation, included in the tenancy of the raiyat and he has acquired a right of occupancy in it.

When a plaintiff institutes a suit in a Civil Court for the ejectment of a trespasser, he may, if he thinks fit, claim as alternative relief that the defendant be declared liable to pay for the land in his possession a fair and equitable rent, to be determined by the Court; and the Court may grant such relief accordingly.

210. (1) Subject to the provisions of section 140, the Court having jurisdiction to determine a suit for the possession of land may, on the application of either the landlord or the tenant of the land, determine all or any of the following matters, namely :—
